Maintenance Manager

Murphyfresh is one of Australia's leading growers of
delicious vine-ripened, glasshouse grown truss tomatoes
which are stocked in major supermarkets across Australia.
Established in 1999, Murphyfresh is a family owned
business that maintains its competitive edge through
constant innovation. The farm is located in Mansfield, in
North-East Victoria and currently covers 6 hectares of
greenhouses and employs more than 60 employees.

Reporting directly to the Senior Maintenance Manager,
this position is a hands on management role, responsible
for planning, directing and controlling the maintenance
department to maintain plant, equipment and farm facilities
in a safe, efficient and cost effective manner.

Applicants for the role should have strong communication
and leadership skills and have experience in managing
staff, budgets and operating procedures. A relevant trade
qualification and experience with computerised maintenance
management systems (CMMS) is preferred but not essential.

The role requires 24 hour on-call scheduling and working
on public holidays is often required.

The salary range for this role is \$80,000 - \$90,000 based
on demonstrated skills and experience.

Further details are available on Seek.com.au where this
position is also advertised.

If you feel that you meet the above criteria or would like
to discuss the role further, please send your resume along
with a cover letter to hr@murphyfresh.com.au
