## Seed Processing and Warehouse Coordinator

Permanent Part Time Position  
(Flexible hours)

Native Seeds Pty Ltd are growers and  
suppliers of premium Australian native grass  
seed. We have been leaders in the Australian  
native grass industry for over 20 years and  
have recently moved our operations to North  
East Victoria. We are now looking for someone  
to join our small close knit team to help us  
set up and expand our seed processing and  
warehouse facility in Eurobin.

The role requires someone willing to roll up  
their sleeves and learn our current processes,  
predominantly work alone but also be  
creative and help us to develop better ways of  
processing and storing the native grass seed.  
Working 1-2 days a week (or equivalent hours  
at a time which suits the successful applicant)  
this role will report directly to the Managing  
Director.

Currently some of the work can be laborious  
so this role will not suit everyone, however  
if you enjoy a bit of 'self' time and you are a  
creative thinker then this could be perfect.  
Native Seeds Pty Ltd are an equal opportunity  
employer.

Please send your expressions of interest or  
enquires to [accounts@nativeseeds.com.au](mailto:accounts@nativeseeds.com.au)
