Agricultural Maintenance Manager & Maintenance Leading Hand

Murphy Fresh is one of Australia's leading growers of delicious vine-ripened, glasshouse grown truss tomatoes which are stocked in major supermarkets across Australia. Established in 1999, Murphy Fresh is a family owned business that maintains its competitive edge through constant innovation. The farm is located in Mansfield, in North-East Victoria and currently covers 6 hectares of greenhouses and employs more than 60 employees.

Reporting directly to the Senior Maintenance Manager, these positions are hands on maintenance roles, responsible for maintaining plant, equipment and farm facilities in a safe, efficient and cost effective manner.

Applicants for either role should be capable of a physical workload and are required to work 95% on the tools. Strong communication and leadership skills and experience in supervising staff and operating procedures is also a requirement of the role. A relevant trade qualification and experience with computerised maintenance management systems (CMMS) is preferred but not essential.

The role requires 24 hour on-call scheduling and working on public holidays is often required.

The salary is competitive and based on demonstrated skills and experience.

Further details are available on Seek.com.au where this position is also advertised.

If you feel that you meet the above criteria or would like to discuss the role further, please send your resume along with a cover letter to david@murphyfresh.com.au
