All Saints ESTATE
Vineyard Hand

About the business and the role
With 150 years of history and excellence in winemaking, All Saints Estate is a premium destination in Victoria's North East. Currently All Saints Estate has a fulltime Vineyard Hand position available to work in the business across a number of properties.

Job tasks and responsibilities
The successful applicant will show a passion for teamwork and constant improvement and aiming to produce the highest possible grapes for our premium wine brand.

This position will require experience in operating agricultural machinery and carrying out general maintenance on equipment such as tractors and associated machinery.

You will enjoy working safely and efficiently with equipment and be prepared to use agrichemicals, for which training can be provided.

You will be expected to be involved with all facets of vineyard operations throughout the year.

As many of the vineyard activities are seasonal, there is a requirement for some flexibility undertaken outside normal work hours, especially during the spraying and harvest season.

Skills and experience
Key requirements of the role:

- Experience in machinery operation and daily maintenance, ideally from a related field, but not essential
- Strong interest in producing high quality grapes and running efficient operations
- Ability to work independently and in a team environment
- Current Drivers licence is essential
- **Be physically fit and healthy and enjoy contributing to a tidy and safe environment.**

Previous viticulture experience is not essential.

- **This position will suit a person who is passionate in becoming a vital part of a leading Northeast Victoria winery and enjoys working as part of a team to achieve a quality outcome.**

Applications close 1 September 2019
Please send your resume to hr@allsaintswine.com.au
