Conditions: Full Time, Part Time Roles available, employment and sub-contracting opportunities exist.

Areas:

- Murray PHN region including Shepparton, Benalla, Wangaratta and Wodonga
- Western Victoria PHN region including Warnambool and Horsham (or surrounding areas)

Who Are We?

APMHA HealthCare is a national not-for-profit company that specialises in primary mental health care service delivery. It was established in 2015 as the Victorian Primary Mental Health Alliance trading as the Australian Primary Mental Health Alliance.

APMHA HealthCare is based upon the strategic alliances and partnerships of primary mental health clinicians and organisations across Australia. We offer employed, secondment and sub-contract arrangements for a clinical and non-clinical workforce that provides a national footprint of highly qualified mental health professionals across Australia. Our large network of clinicians works virtually as a collaborative team, bringing together clinicians to enhance program reach and depth to those clients who need support the most.

APMHA HealthCare's corporate office in Flemington, Victoria supports local services in various locations across Australia, primarily Victoria and NSW.

Our funders and partners are Primary Health Networks, State and Federal Government, private companies and other NFPs. This is an exciting opportunity to be involved in working within the primary care, delivering services to people with mild and moderate through to severe and persistent mental illness.

APMHA supports staff through face to face supervision, virtual online teleconferencing, website portfolios, training, and client management systems.
