## Vineyard Manager/ Viticulturist

Stanton & Killeen is seeking a skilled and dedicated Viticulturist to take their vineyards to the next level.

This senior-management role would suit someone looking for an outdoors position in a beautiful region with a small, tight-knit team of 10 people; with the bonus of working in a dynamic and agile business that is willing and able to adapt to the changing environment.

In 2020, Stanton & Killeen will celebrate 145 years of family winemaking in Rutherglen, North East Victoria. Specialising in robust reds, Portuguese varieties and fortified wine, the business is embracing new and innovative vineyard and winemaking practices. Variety in our 34 hectares of vineyards is one of our strengths with 14 different types including Shiraz, Durif, Muscat and Muscadelle that sit alongside newly planted whites Arinto, Alvarinho and established Tinta Roriz, Touriga Nacional and Souzão to name a few.

Key responsibilities of the role:

- Develop and implement the annual vineyard Operating Plan including executing the pruning and spray program, pest and disease management, yield forecasting and enhancing the vine and soil health program.
- Manage a team of two full-time team members and contractors when necessary.
- Manage irrigation - including soil moisture testing, programming and maintenance.
- Communicate effectively with the senior management team to align practices with the business goals and strategy.
- Manage and implement all relevant operational, HR, OH&S and procedural compliance requirements.
- Drive innovation and continuous improvement across all vineyard operations.

Your skills, experience and attributes that you will bring to Stanton & Killeen:

- This is a hands-on role requiring a practical and physically capable person.
- Prior vineyard experience.
- Formal qualifications are desired, but not essential.
- Irrigation knowledge is essential.
- Mechanical aptitude.
- Computer literacy.
- Interest or experience in sustainable practices or organics is desirable as this is a path we would like to explore.
- Have a positive, can-do attitude, be a team player and a natural problem solver are essential personality characteristics.
- Chemical User's certificate.
- Australian citizenship/residency.

An attractive remuneration package and appropriate relocation costs will be offered to the successful candidate. Apply now and join us on our journey.

Please forward a copy of your CV and cover letter via email to:  
**Wendy Killeen**

## Apprentice Mechanical Tradesperson.

Carter Holt Harvey Plywood is Australia's largest and most comprehensive ply manufacturing business with a commitment to the health and safety of its employees. We are currently seeking a dedicated individual to join the Maintenance team at our Myrtleford facility. You will learn the hands-on maintenance of plant and equipment and how to improve the plant's preventative maintenance and reliability programs plus unplanned work responses that minimise plant down time.

The successful applicants will be highly motivated and have a flexible "hands-on" approach with a willingness to take on various work-related roles. During your apprenticeship you will receive on the job training and hands on experience whilst completing a TAFE qualification. You will work closely with our qualified tradespeople and gain the knowledge and skills required to understand your trade.

- To be successful you will have:
- Obtained your School Certificate or equivalent with passes in Science, Math and English
  - Good communication skills both written and verbal.
  - Be computer literate
  - Have the ability to work as part of a team and think clearly under pressure.

Carter Holt Harvey Woodproducts is an Equal Employment Opportunity employer and is committed to a Drug & Alcohol free work environment. Applicants must hold valid Australian Working rights and prior to employment the successful applicant will be required to pass a medical including drug testing, a functional assessment and other pre-employment checks such as a criminal record and / or credit check.

To apply for this opportunity forward your letter of application and resume with a valid email address & phone number and your school results before 5.00pm Friday 15<sup>th</sup> November 2019 to:

Engineering Manager
