STANTON & KILLEEN
WINEMAKERS SINCE 1873

Vineyard Manager/ Viticulturist

Stanton & Killeen is seeking a skilled and dedicated Viticulturist to take their vineyards to the next level.

This senior-management role would suit someone looking for an outdoors position in a beautiful region with a small, tight-knit team of 10 people; with the bonus of working in a dynamic and agile business that is willing and able to adapt to the changing environment.

In 2020, Stanton & Killeen will celebrate 145 years of family winemaking in Rutherglen, North East Victoria. Specialising in robust reds, Portuguese varieties and fortified wine, the business is embracing new and innovative vineyard and winemaking practices. Variety in our 34 hectares of vineyards is one of our strengths with 14 different types including Shiraz, Durif, Muscat and Muscadelle that sit alongside newly planted whites Arinto, Alvarinho and established Tinta Roriz, Touriga Nacional and Souzão to name a few.

Key responsibilities of the role:

- Develop and implement the annual vineyard Operating Plan including executing the pruning and spray program, pest and disease management, yield forecasting and enhancing the vine and soil health program.
- Manage a team of two full-time team members and contractors when necessary.
- Manage irrigation - including soil moisture testing, programming and maintenance.
- Communicate effectively with the senior management team to align practices with the business goals and strategy.
- Manage and implement all relevant operational, HR, OH&S and procedural compliance requirements.
- Drive innovation and continuous improvement across all vineyard operations.

Your skills, experience and attributes that you will bring to Stanton & Killeen:

- This is a hands-on role requiring a practical and physically capable person.
- Prior vineyard experience.
- Formal qualifications are desired, but not essential.
- Irrigation knowledge is essential.
- Mechanical aptitude.
- Computer literacy.
- Interest or experience in sustainable practices or organics is desirable as this is a path we would like to explore.
- Have a positive, can-do attitude, be a team player and a natural problem solver are essential personality characteristics.
- Chemical User's certificate.
- Australian citizenship/residency.

An attractive remuneration package and appropriate relocation costs will be offered to the successful candidate. Apply now and join us on our journey.

Please forward a copy of your CV and cover letter via email to:

BROWN FAMILY WINE GROUP VINTAGE CASUALS

**ARE YOU INTERESTED IN THE WINE INDUSTRY?
WOULD YOU BE AVAILABLE FOR UP TO EIGHT WEEKS?
DO YOU HAVE A GOOD LEVEL OF HEALTH AND FITNESS?**

If so, this may be an opportunity to join our winery team for the 2020 Vintage.

Vacancies exist in the following areas for suitably skilled people to join the Brown Family Wine Group for the 2020 Vintage. The period of employment may be up to 8 weeks (depending upon the season), commencing in early February 2020 with an anticipated finish date of mid-April. There is an expectation that you would make yourself available for the whole of this period. The successful candidates will be required to work shift work and be available to work weekends. Penalty rates will apply.

CELLAR HANDS: Responsibilities include a wide range of basic winery processing duties, so experience working with pumps and other winery equipment would be an advantage. Good health is essential as much of the work is physically demanding, requiring an excellent level of fitness. Good hygiene, housekeeping and safety are also essential.

FORKLIFT OPERATORS: There are some specific roles for forklift operators so a License to Perform High Risk Work (forklift license) and at least 12 months forklift driving experience is essential to be considered for these roles.

LABORATORY ASSISTANTS: Responsibilities include routine sampling and analysis, testing of grape samples and maintaining laboratory records. Good hygiene, housekeeping and safety are essential. Previous experience in a laboratory or Year 12 chemistry study would be an advantage.

To be successful in any of these positions, you must be able to work as part of a team, however there is an expectation that you can work independently in various situations.

Please indicate clearly in your application which role you would prefer.

Applications detailing skills and experience should be emailed to careers@brownfwg.com.au no later than close of business on 11 November 2019.

Position descriptions for either position may be obtained by telephoning (03) 57 205 500.
