Area Chief Ranger Western Alps

Apply now for a challenging and exciting leadership opportunity, to manage critical operational issues that contribute to organisational priorities!

- Join a progressive management team and drive strategy
- Be a part of an innovative, world-class parks service
- Ongoing, Full Time role located in Mansfield

About the branch

The Regional Services Division is responsible for the service delivery of initiatives, programs and services. On-ground works and services will conserve environments, protect culture and heritage, manage visitor facilities and improve opportunities and support fire and emergency management. The Regional resources will support environmental, social and economic outcomes for rural, regional and urban communities. Service delivery is managed and delivered within the demands of the Divisional Action Plan and the requirements of the Division's statewide fire and emergency role and in partnership with community and government agencies.

About the role and your responsibilities:

As the Area Chief Ranger, you will be responsible for all aspects of operations and resources within their geographic area of control in order to deliver cost effective, timely, quality and appropriate range of services to meet the requirements of the District Action Plan. You will contribute and assist in the development, implementation and review of District Operations to enable Parks Victoria to match service delivery with community and stakeholder needs to ensure optimum performance from the Area's human, financial and capital resources. In this vital role, you will also represent Parks Victoria to community, industry, and government groups to ensure a positive, professional image of Parks Victoria and effective working relationships with all key stakeholders.
