Concrete Plant Manager Mansfield

Mawsons is a family-run business that produces quality construction materials throughout Northern Victoria and Southern N.S.W. We are seeking a person with established people skills, who is organised and has the ability to motivate and achieve. This full time role is managing our recently established concrete plant in Mansfield.

This is an important local management role and reports to the Operations Manager. Duties include concrete sales, batching, front end loader operations, product delivery, staff management, site administration and general operations duties in relation to the sale of product.

Developing and maintaining strong relationships with local customers will be a critical part of this role and we seek someone who can demonstrate a genuine community engagement. You will have a focus on managing existing customer relations and expanding sales across the region.

Effective people management and achieving operational efficiencies are key aspects of this role. You will need to be totally committed to safety and quality and have strong computer and reporting skills. A heavy vehicle licence is essential, as is general truck driving experience. Industry knowledge and experience will be advantageous.

To apply email applications and cover letter to: recruitment@mawsons.com.au

(Please state job reference: MAC005 on your application)

Applications close: Monday 30th March, 2020
