EMPLOYMENT

Journalist Career Opportunity Full time

North East Media, an award-winning publisher of community newspapers, has a full time position for a graded journalist based in our Myrtleford office in North East Victoria.

We are seeking a journalist with previous country newspaper experience to produce our weekly Myrtleford Times and Alpine Observer, servicing the picturesque Alpine Shire communities of Myrtleford, Bright and Mt Beauty.

The position requires a journalist with a strong work ethic and well-rounded skill set, who has a passion for community newspapers and a real desire to work with volunteer contributors.

Excellent writing, editing, photographic, communication, time management and organisational skills, and the ability to

generate ideas into relevant news coverage that matters most to a local readership, will be among your strongest attributes.

The ability to use social media and deliver high quality work under deadline pressure are also a must.

The successful applicant must also have a valid driver's licence.

North East Media is an independent media group publishing award winning publications in print and online across North East Victoria and beyond.

Applications, including covering letter and resume, should be forwarded to:

Executive Director Strategy & Impact

Drive business growth initiatives

Interested in establishing a new business unit focussed on strategy and business growth to help shape the delivery of community health in the region?

Gateway Health is a major regional community health service providing vital primary health and wellbeing services to some of its community's most vulnerable. The organisation is ready to embark upon an exciting period of growth through the expansion of its service offering to ensure the needs of the community across north-east Victoria and southern New South Wales continue to be met and further enhanced.

This newly created opportunity will suit an achievement-oriented professional looking to genuinely make their mark on shaping an organisation's future. You will build the team, work closely with the CEO and executive leadership group to identify service trends, and design business models and strategies that address current and future needs.

A values-based leader, you bring significant executive level experience and a track record of success in developing and implementing growth strategies. Your genuine commitment to leading and coaching teams, influencing outcomes and fostering a culture of innovation will enable you to achieve sustained results as part of this high performing organisation. Sound like you?

PROJECT MANAGER

Fixed-Term 2 Year Contract

About Us: Brown Family Wine Group, an innovative family-owned multi brand wine business, is one of Australia's most loved and trusted wine companies. We have evolved from a single brand to a family of brands that now includes Brown Brothers, Devil's Corner, Pirie, Tamar Ridge, and Innocent Bystander.

We are a proud and passionate business who are strong on values and culture. Most recently we have been certified as "A Great Place to Work" and are committed to honouring this recognition throughout all aspects of the business.

The Role: Reporting directly to the Infrastructure and Reliability Manager, this role offers an exciting opportunity to join an innovative family wine business to deliver a broad range of projects that will stand the test of time, meet all of the demands and build a quality future!

What's Required: We're seeking a suitably experienced Project Manager who can clearly demonstrate that they have previously delivered a broad range of successful projects through solid project management principles; someone who sets high standards, leads by example, uses initiative and can negotiate for best outcomes. Responsible for budgets, programming, and contract management as well as the development of internal systems, process, procedures, and methods.

Other key requirements include:

- Qualifications/substantial experience in Project Management – Strategic and Built Form plus 5 + years' experience working as a Project Manager.
- Management of designers, design outcomes and project construction management experience
- Commercial acumen together with the ability to manage stakeholders successfully through strong communication and negotiation skills.
- Excellent project management and organisational skills.
- Demonstrated skills in computer software and management systems including purchase ordering, maintenance management, excel, word and cloud-based applications, project management software, AutoCAD (preferred but not essential) and other project related tools.
- Strong attention to detail.
- Demonstrated ability to work as part of a team, use initiative, influence, provide training to others, and work without direct supervision and to communicate professionally and effectively at all levels.
- Ability to build strong cross-functional relationships across the business.

What's on Offer:

- Two-year contract
- An inclusive and supportive environment
- Work on a range of unique & interesting winery/production/packaging line projects.

If this position interests you and you feel you've got the skills and experience, we're looking for, we'd love to hear from you ASAP! Apply now and let us know how your skills and experience meet the criteria. Send your application to careers@brownfwg.com.au or via the SEEK website.
