ALPINE MDF INDUSTRIES PTY LTD

## Business Expansion Offers Exciting New Job Opportunities

Alpine MDF Industries is a large wood processing facility located at Wangaratta in North East Victoria offering permanent employment for over 140 local people.

Alpine's core business is manufacturing Medium Density Fibreboard (MDF) for many uses in the construction, and related, industries and is distributed and sold nationally in Australia.

Complimenting the core business, Alpine MDF has established a re-manufacturing business on the same site where core products are reprocessed into specific building products such as pre-painted skirting, architraves, door and window components and decorative wall lining panels.

The Company has invested heavily in upgrading the re-manufacturing department in the last 2 years with the construction of over 4,000m2 of new factory and warehouse space. This is to house new state-of-the-art plant and equipment that will double the manufacturing capability in this part of the business.

With this project nearing completion in addition to internal staff promotions and movements, Alpine MDF has new and varied job opportunities across its entire site.

Alpine MDF's staff profile is wide and varied and there are jobs available to suit a diverse range of skill sets and capacities. Due to the specialised nature of the machinery and equipment required to manufacture MDF and remanufactured products, the people we are seeking do not require a specific skill set, we will train you.

If you would like to be part of the Alpine MDF team, are motivated, reliable and have a willingness to learn new skills and in return would like to receive a generous salary package then you may be the person we are looking for.

For further information please send your application and contact details to:
