**ALPINE MDF INDUSTRIES PTY LTD**

**Business Expansion Offers  
Exciting New Job Opportunities**

Alpine MDF Industries is a large wood processing facility located at Wangaratta in North East Victoria offering permanent employment for over 140 local people.

Alpine's core business is manufacturing Medium Density Fibreboard (MDF) for many uses in the construction, and related, industries and is distributed and sold nationally in Australia.

Complimenting the core business, Alpine MDF has established a re-manufacturing business on the same site where core products are reprocessed into specific building products such as pre-painted skirting, architraves, door and window components and decorative wall lining panels.

The Company has invested heavily in upgrading the re-manufacturing department in the last 2 years with the construction of over 4,000m2 of new factory and warehouse space. This is to house new state-of-the-art plant and equipment that will double the manufacturing capability in this part of the business.

With this project nearing completion in addition to internal staff promotions and movements, Alpine MDF has new and varied job opportunities across its entire site.

Alpine MDF's staff profile is wide and varied and there are jobs available to suit a diverse range of skill sets and capacities. Due to the specialised nature of the machinery and equipment required to manufacture MDF and remanufactured products, the people we are seeking do not require a specific skill set, we will train you.

**Permanent Packaging/Machine Operator**

**We're on the hunt for a motivated and enthusiastic person to join our Operations team based in Milawa.**

**About us:** Brown Family Wine Group is one of Australia's most loved and trusted wine companies. With premium vineyards in Victoria and Tasmania, our family of wines has now grown to five brands - Brown Brothers, Devil's Corner, Pirie, Tamar Ridge and Innocent Bystander. We are passionate about our wines and our core values of Wellbeing, Respect, Innovation and Pride in What We Achieve Together. Most recently we have been certified as "A Great Place to Work" and are committed to honouring this recognition throughout all aspects of the business.

**About the role:** Working in a state-of-the-art facility, responsibilities include the setting up, operating, monitoring, shutting down and cleaning of a range of packaging equipment. There is a requirement to carefully monitor product and component quality and conduct scheduled quality checks according to procedures and HACCP charts. This role requires the flexibility to undertake shift work.

**About you:** Ideally, you can demonstrate sound diagnostic/problem-solving skills, attention to detail, a mechanical aptitude and be enthusiastic in your approach to produce the best outcomes. Good communication skills and the ability to establish sound working relationships within a multi-skilled environment will be an advantage. A desire to undertake additional responsibilities is encouraged. Previous experience in an operations environment is highly desirable but not essential. This role demands a positive attitude, mechanical aptitude, a good level of fitness, the flexibility to meet various shift rosters and excellent attention to detail.

**What's on offer:** Conditions include a nine-day fortnight, uniform and PPE, above award wages, penalty rates and eligibility to access product discounts. Training will be provided to the successful applicant if required.

SCAN TO APPLY

If you would like to be part of the Alpine MDF team, are motivated, reliable and have a willingness to learn new skills and in return would like to receive a generous salary package then you may be the person we are looking for.
