Wangaratta Chronicle
Cadet Journalist
Career Opportunity
Full time 38 hours per week

North East Media, publisher of the award winning Wangaratta Chronicle, is currently seeking expressions of interest from motivated candidates to join the team in Wangaratta as a cadet journalist.

The cadetship is ideally suited for a Year 12 graduate.

It is for three years, including course study by correspondence from Deakin University.

The successful candidate will learn how to write clear, concise and interesting news, sport and feature stories for our newspaper and associated digital and social media platforms.

We are searching for a budding writer who has the skills, passion and determination to be a journalist of the future.

Candidates must have excellent verbal and written English, sound computer skills, solid general knowledge, a genuine interest in the local community, and an ability to build rapport and networks quickly.

You will need to be well organised, able to work to deadlines, and have strong attention to detail.

Candidates must hold a valid driver's licence, be available to work flexible hours, and photography and social media skills are desirable.

North East Media is a leading independent family-owned media group with a commitment to community journalism.

Applications, including covering letter and resume, should be emailed to Group Editor Jeff Zeuschner at jzeuschner@nemedia.com.au

ALPINE MDF INDUSTRIES PTY LTD

Alpine MDF

Business Expansion Offers
Exciting New Job Opportunities

Alpine MDF Industries is a large wood processing facility located at Wangaratta in North East Victoria offering permanent employment for over 140 local people.

Alpine's core business is manufacturing Medium Density Fibreboard (MDF) for many uses in the construction, and related, industries and is distributed and sold nationally in Australia.

Complimenting the core business, Alpine MDF has established a re-manufacturing business on the same site where core products are reprocessed into specific building products such as pre-painted skirting, architraves, door and window components and decorative wall lining panels.

The Company has invested heavily in upgrading the re-manufacturing department in the last 2 years with the construction of over 4,000m2 of new factory and warehouse space. This is to house new state-of-the-art plant and equipment that will double the manufacturing capability in this part of the business.

With this project nearing completion in addition to internal staff promotions and movements, Alpine MDF has new and varied job opportunities across its entire site.

Alpine MDF's staff profile is wide and varied and there are jobs available to suit a diverse range of skill sets and capacities. Due to the specialised nature of the machinery and equipment required to manufacture MDF and remanufactured products, the people we are seeking do not require a specific skill set, we will train you.

If you would like to be part of the Alpine MDF team, are motivated, reliable and have a willingness to learn new skills and in return would like to receive a generous salary package then you may be the person we are looking for.
