St. John's
VILLAGE

Care • Compassion • Respect

St. John's Village has recently undergone changes to the way care is provided to residents. We have embraced a Person Centred Care philosophy supported by a house model that encourages a closer relationship between resident and carer. A shared focus of our team is introducing real purpose into our resident's lives through the development of flexible care models which encourage our residents to continue being unique individuals with a purpose. By enhancing our care delivery and operational efficiency we can improve the quality of life for all our residents by creating an environment where they feel valued and able to live the life they choose.

If you find this model of care exciting and want to make a difference to our residents lives at St. John's Village please submit your application for the below position. Relocation expenses will be considered for suitable applicants.
