

EMPLOYMENT

HEAD GARDENER/ CURATOR

This is an outstanding and rare full-time opportunity for a qualified horticulturist to be part of the continued development and maintenance of a beautiful private property in the Strathbogie Shire, maintaining 5 acres of garden.

Duties & responsibilities:

- Responsible for client communications
- Lead and supervise team members
- Implement and manage site garden needs and seasonal requirements
- Carry out scheduled routine garden maintenance
- Soft landscaping and Lawn care
- Irrigation maintenance
- Organising maintenance of all garden machinery equipment in good operating order

The successful applicant will have:

- 10+ years' experience
- Qualification in Horticulture
- Excellent knowledge of plants and their care
- Excellent disease & pest identification and respective treatments
- Working knowledge of irrigation maintenance and installation
- Excellent skills in use of all gardening power tools and equipment
- Proven Leading hand or Supervisory experience
- Excellent communication, customer service, time management and organisational skills
- Friendly, confident, competent, enthusiastic, and self-motivated with a positive attitude
- A strong work ethic, punctual, reliable and honest
- Presentable appearance and physically fit
- Ability to implement safe work practices and understanding of OH&S practices
- Able to work well in a team environment

This is a fantastic opportunity for a motivated Individual who would enjoy the challenge with support of the owner to further their career in this industry.
