Sales & Development Manager Infrastructure Services Manager Property & Contracts Manager

The Mt Buller & Mt Stirling Alpine Resort Management Board has revised its management structure to strengthen its capabilities in working with stakeholders, growing visitation and overnight stays, improving compliance, the effective use of contracts, and the restoration and performance of its roads, carparks and other infrastructure. As part of the structure, an exciting opportunity to work within a pristine alpine environment and contribute to the success of two of Australia's premier ski resorts has become available in these 3 new senior management positions.

Reporting to the CEO, each role will be a key member of the management team, and will be responsible for strategy development and service delivery within their respective areas. To be successful in any of these roles you will need to have:

- a relevant tertiary qualification
- at least 10 years relevant management experience
- the ability to work cooperatively with stakeholders
- the ability to think strategically, identify solutions, and then deliver.

Attractive remuneration packages are available. Please email recruitment@mtbuller.com.au for full details. Applications close 19 February 2018, and the positions are available immediately.

Mt Buller & Mt Stirling Resort Management is an equal opportunity employer and encourages applications from all suitably qualified and eligible candidates.
