Mt Buller & Mt Stirling Resort Management

Carpentry and Maintenance Officer

- Work on top of the World
- Use your carpentry and maintenance expertise
- Be part of a team

The Infrastructure Services team at Mt Buller Mt Stirling Resort Management is accountable for maintaining all aspects of the built assets of the resort including accommodation and plant. We seek an enthusiastic Carpenter/Building Maintenance specialist to join our small team. Carpentry is a key element of this role, duties will also include managing other trades under contract such as electrical and plumbing. This role is a hands-on position and may have other team members to supervise from time to time. Responsibilities include the implementation of minor works and small projects including capital works projects and numerous other maintenance activities. To be considered for this role you are required to have a trade qualification or equivalent industry experience, particularly in carpentry. You must have prior experience in building maintenance, construction projects and oversight of contract based works delivery. In addition, you will be expected to have:

- A current Victorian Drivers licence (medium rigid or higher endorsement desirable)
- A current First Aid Level 2
- The ability to work independently
- Experience working cooperatively in a small team
- The ability to plan and prioritise works program, small projects and tasks
- Willingness to develop other team members

Team members are required to undertake rostered duties on weekends, after hours and public holidays and to respond to out of hours callouts. A full position description is available by contacting Recruitment - recruitment@mtbuller.com.au Questions regarding the role should be directed to Mai Rowsell 0458 651 138. Transport from Mansfield is provided. The payband for this position commences at \$73,598 (including super). Applications close Monday 26th February 2018. *Mt Buller & Mt Stirling Resort Management is an equal opportunity employer and encourages applications from all suitably qualified and eligible candidates.*

Employment is underpinned by merit-based selection and successful applicants are expected to model the MDH Values and Expected Behaviours and abide by the Code of Conduct. Commencement is subject to a successful MDH Police Check and provision of an employee Working with Children Check.

EMPLOYMENT

Senior Maintenance Technician Infrastructure and Program Support (IPS)

Timbertop Campus

Geelong Grammar School is one of the world's leading co-educational boarding and day schools offering exceptional education to all of its students, from Early Learning to Year 12.

Timbertop is Geelong Grammar School's Year 9 full boarding campus, located in Victoria's high country near Mansfield which offers a full academic and outdoor education programme designed to take advantage of the magnificent environment.

We seek to appoint a full-time Senior Maintenance Technician – IPS within our Maintenance team to conduct periodic inspections on all campus essential services infrastructure including but not limited to: water, egress, sewer system and fire bunker. The successful candidate will be responsible for the booking and management of all service and repairs for essential services infrastructure and conducting sampling of water to be dispatched for testing.

Previous experience within a General Hand/Maintenance or related role with basic building and/or maintenance skills is desirable. Applicants should possess sound interpersonal and communication skills (including written) and proven ability to liaise with people at all levels (both internal and external to the organisation).

Geelong Grammar School is committed to the safety of children and has a zero tolerance of child abuse. The successful candidate will be required to obtain a Working with Children Check (Employment).

For further details and/or to apply online, visit the employment opportunities page on our website: www.ggs.vic.edu.au/careers

Applications close at 12pm on Monday 26th February, 2018
