Concrete Agitator
Truck Driver
Myrtleford

Mawsons is a family-run business that produces quality construction materials throughout Northern Victoria and Southern N.S.W. We are currently seeking an experienced truck driver for a casual driving position at our Myrtleford Concrete plant. Substantial casual hours can be expected in current market conditions.

Duties will include delivery of concrete product to our clients and general yard duties. A heavy rigid truck licence is essential, as is general truck driving experience. The successful applicant will benefit from thorough on-the-job training from our supportive team. You will need to have excellent customer service skills and display attention to detail with your work. Applicants need to be committed to safety and quality, have a positive work attitude and value effective teamwork.

To apply
Email applications & cover letter to:
recruitment@mawsons.com.au
(Please state job reference: MC005 on your application).
Applications close:
Monday 12th March, 2018

EMPLOYMENT

Maintenance Electrician

Carter Holt Harvey Plywood is Australia's largest and most comprehensive ply manufacturing business with a commitment to the health and safety of its employees, we are currently seeking a dedicated and experienced Electrician with specific experience within manufacturing operations to join the Maintenance team at our Myrtleford facility operating a 24/7 coverage roster. Reporting to the Electrical Supervisor you will have proven experience with providing support and technical expertise for the hands on maintenance of plant and equipment and improving the plant's preventative maintenance and reliability programs plus unplanned work responses that minimise plant down time.

You will have demonstrated experience in:

- Working in a team environment to resolve day to day technical matters and site projects. It is essential that you have strong communication skills.
- Working with the Engineering and Production teams to implement required repairs and modifications whilst providing support for unplanned stoppages to minimise plant down time.
- Completing preventative and predictive maintenance and planned corrective works.
- Working with the maintenance team to ensure safety procedures are followed and to achieve / exceed safety targets and goals.
- Planning, organising and an ability to prioritise tasks, willing to work as part of the broader maintenance team and coordinate activities with regard to operational requirements.

To be successful you will have:

- A strong commitment to Workplace Health and Safety.
- Electrical trade qualifications.
- Good problem solving skills.
- PLC, heavy industry, boilers and timber industry experience would be advantageous.

Applicants must hold valid Australian Working Rights and prior to employment the successful applicant will be required to pass a medical including drug testing, a functional assessment and other pre-employment checks such as a criminal record and / or credit check.

Our values are:

Deliver what we promise; be open and honest; respect each other; be committed to safety and the environment; go the extra mile for our customers and to work smart and have fun

To apply for this exciting opportunity please submit your resume and cover letter with contact details including email and phone number before 5.00pm Friday 9th March 2018 to:
